Dear Policy Committee Members:

On behalf of the JLUS Project Team, I am pleased to present the Joint Base McGuire-Dix-Lakehurst JLUS final report. Thank you for the opportunity to be part of this unique regional study.

While the initial JLUS report is complete, there is still much to be done. It is our hope that the Committee will continue to work together to implement the study's recommendations. We believe that this document provides a strong foundation for further dialogue and reflects solutions for many of the issues identified from your feedback.

Thank you for taking the time to participate in the JLUS process with us.

Best Regards.
